Consultant Spinal Surgeon The Royal Orthopaedic Hospital, Birmingham, UK

Mr Newton Ede has been practicing in the UK for 16 years. He is a full-time Consultant Spinal Surgeon at the Royal Orthopaedic Hospital and Birmingham Children's Hospital. He divides his clinical practice between adults and children with complex spinal disorders.

He is experienced in providing high quality, timely medical reports covering the full range of adult and paediatric spinal conditions. He provides impartial reports, taking instructions from both claimants and defendants.

With over 15 years of military experience (reservist) including operational deployment, he maintains an interest military injuries. He has been compiling military medical reports since 2007 and medicolegal reports for the Courts since 2015. He lectures to the legal profession on spinal surgery and negligence, including the 2018 APIL Clinical Negligence conference.

Mr Newton Ede attended the Bond Solon "Excellence in Report Writing" in 2015 and the Bond Solon Annual Conference in 2017.

He is fully conversant with Part 35 of the Civil Procedure Rules (CPR 35), the Practice Direction (PD35) and the Pre-Action Protocols.

He completes around 30 reports per year, the majority of which are for the claimant.
