## **PROFESSIONAL QUALIFICATIONS**

Graduated 1998          BSc Hons Prosthetics and Orthotics, Salford University

I have completed a wide variety of further training courses within Orthotics, including courses covering Diabetic Foot, Biomechanics, Foot Biomechanics, AFO management of Neurological conditions, Boston Brace, Lycra and Paediatrics.

## **PROFESSIONAL EXPERIENCE**

Oct 2016 – to date          Orthotist, Dorset Orthopaedic Company Ltd.

Sep 2014 – Oct 2016          Orthotist, Peacocks Medical Group, Dorset. Covering my clinical responsibilities as before. Managing the Orthotics team for Peacocks Medical Group in Dorset. Making service improvements to standardise the orthotics service across Dorset.

Oct 2006 – Sep 2014          Orthotist at Lymington New Forest Hospital, Poole Hospital and Royal Bournemouth Hospital, covering inpatients and outpatient clinics and visiting special needs schools. Developing the orthotics service across Pool and improving the patient care of Orthopaedic trauma patients.

June 2005 - Oct 2006          Orthotist covering several hospitals in East Kent. Due to the location of the hospitals I was independent from the South East NHS team of Orthotists although I worked closely with the surgical NHS orthotic admin team to improve the service and reducing the waiting times for patients considerably.

June 2003 – Nov 2003          Orthotist, University Hospital Southampton NHS Foundation Trust running orthopaedic and specialist rheumatology clinics.

Oct 1998 – Nov 2001 Paediatric Orthotist, John Florence Ltd, Lewes, East Sussex running specialist orthotic clinics in Sussex and London, dealing with complex paediatric patients.
