

## **Dr Suprio Ganguly**

10 Boundary

Drive Wakefield,

WF1 3QQ

**0044773315646**

[suprio.ganguly@nhs.net](mailto:suprio.ganguly@nhs.net)

### **Summary**

42 Years of professional experience working as a doctor, out of which more than 37 in Clinical Radiology. Served as a radiologist in 5 countries spread across 3 continents.

My first appointment was a Lieutenant in the Army Medical Corps, in India, and my posting included zones of active armed conflict. I served in the AMC for 13 years and am a recipient of service medals.

Subsequently, I served in Yemen, Oman, Mauritius, and currently settled in England.

### **Skills**

- Consultant Radiologist with special interest in chest radiology, neuroradiology, paediatric radiology, gynaecology, genitourinary, obstetrics, trauma, and emergency radiology.
- GMC Associate Medical Performance Assessor and Expert Witness.
- Medicolegal radiology.
- RCR representative to Consultants AAC.
- Appraiser.
- Experienced in installing and providing radiology services in primary care.
- Teleradiology.

### **Experience**

- **Medicolegal Work 2012 -Present**

Average # of expert reports prepared 2 / week.

Ratio of reports for Claimant: Defence: Joint = 97: 1: 2.

**Types of cases I report:**

General, including neuroradiology, chest, abdomen, and pelvis.

Gynaecology and obstetrics.

Paediatric.

Cancers.

Trauma.

I provide expert witness evidence in coroner's, judicial, and military courts.

I accept all types of ML instructions including clinical negligence.

**General Medical Council 2016 – Present**

- Member of expert panels assisting the Assessment Development Team since 2016.
- Associate Medical Performance Assessor since 2020.
- Empanelled Expert Witness since 2025.

**Royal College of Radiologists 2018 – Present**

- RCR representative to Consultants Appointments Advisory Committee.

**Mid Yorkshire Teaching NHS Trust - 2004- Present**

Consultant Radiologist

- Interpret and report diagnostic images (MRI, CT, Ultrasound and X-ray) to further investigate patient conditions.
- Certified Appraiser since 2018.

**Independent work - 2007 – May 2025.**

- **Established an X-ray service in primary care** at The Grange Medical Centre, Hemsworth, West Yorkshire, in 2007 under the aegis of Wakefield PCT. Later, the service was upgraded to include PACS (Picture Archiving and Communication System) and

teleradiology reporting. I imparted practical training to the radiographer in reporting plain x-rays.

- **Founded an ultrasound scanning service in primary care** under the AWP (Any Willing Provider) programme commissioned by Wakefield CCG in 2010, at different GP surgeries in West Yorkshire.
- **Installed an X-ray unit at The Lawrence Clinic, Pudsey, West Yorkshire.** Installation included supervising the necessary engineering work and radiation protection certification. The service was **in the independent sector.**
- **Teleradiology reporting & Radiology Clinical Audits** for the aforementioned services and for a teleradiology service provider in the independent sector.
- Helped Modality LLP to successfully bid and register itself with the NHS Supply Chain Framework as a teleradiology service provider.

### **SG Radiology and Associates Ltd – 2011 – May 2025.**

Director and Consultant Radiologist

- Provider of mobile MRI scanning services to the NHS on Any Qualified Provider (AQP) contracts and to the independent sector.
- **Developed a bespoke Radiology Information System (IRIS).**
- Partnering Modality LLP in delivering an MRI service since 2023. Recently, helped their ultrasound service and is currently imparting practical MRI training to their radiographer.
- Partnered Modality LLP to launch a contrast enhanced
