F. PREVIOUS EMPLOYMENT

2009- 2018: Hertfordshire Partnership University Foundation NHS Trust. I worked in inpatient psychiatric units across the Trust.

In 2014, I moved to the Liaison Psychiatry Team where I set up a clinic to treat patients with functional symptoms. The work of this clinic has been written up and submitted for publication. During this time, I also drew up a protocol for a treatment protocol in primary care.

2005-2009: Specialist Psychologist, Traumatic Stress Service, St. George's Hospital, South West London & St George's Mental Health NHS Trust;

2004-2008: Para legal at Scott-Moncrieff, Harbour & Sinclair (mental health law firm), working at Broadmoor High Secure Hospital and at medium secure hospitals.
