## *Summary*

- I am a highly experienced clinician with a proven track record and I have taken this expertise into my work as a medico-legal expert.
- I hold the Cardiff University Bond Solon (CUBS) Expert Witness Civil Certificate (2021) and began accepting medico-legal report instructions in 2022.
- As of January 2024 I have completed 27 reports and my Claimant/Defendant ratio is approximately 90/10.
- I have had formal accredited basic, higher specialist and advanced subspecialty ophthalmology training in Ninewells University Hospital, The Royal Hospitals (Belfast) and Bristol Eye Hospital since 2000.
- I achieved fellowships from the Royal College of Ophthalmologists (UK) and the Royal College of Surgeons of Edinburgh in 2008 and successfully accomplished an Advanced Sub-Speciality Fellowship (ASTO) at Cornea and External Eye Diseases (Anterior Segment) in 2009 when I was appointed as a full time Consultant Ophthalmic Surgeon in Morecambe Bay University Hospitals Foundation Trust to establish the Cornea and External Eye Diseases Services in South Cumbria and North Lancashire.
- I have wide-ranging expertise and skills in an extensive array of eye diseases including cataract, refractive surgery, cornea, external eye diseases, glaucoma, lid diseases (oculoplastics), diabetic eye diseases, age-related macular degeneration, retinal diseases, strabismus and neuro-ophthalmology.
- I have special interests in cataract, cornea and external eye diseases and oculoplastics (eyelid) surgery including cosmetic lid surgery.
- I have maintained this continuing professional development and regularly attend national and international conferences on my special interest subjects. In addition, I have been published several times in peer reviewed journals and have undertaken numerous presentations at both national and international conferences.
- I have been awarded an NHS Clinical Excellence Award for my services to University Hospitals of Morecambe Bay NHS Foundation Trust. I was awarded Honorary Senior Clinical Lecturer at UCLAN in March of 2023.
- I am the Clinical Lead in Ophthalmology at BMI The Lancaster Hospital, the Audit Lead in Ophthalmology in University Hospitals of Morecambe Bay NHS Foundation Trust, and the Cataract Pathway Lead at University Hospitals of Morecambe Bay NHS Foundation Trust.
- I hold professional memberships of the American Academy of Ophthalmology, the European Society of Cataract & Refractive Surgery, the International Society of Cataract & Refractive Surgery, The Royal College of Ophthalmologists, The Royal College of Surgeons of Edinburgh (Ophthalmology) and the British Medical Association.
