Background:

I am a Consultant Trauma and Orthopaedic Surgeon, and Clinical Director of Orthopaedics in Cardiff and Vale University Health Board. I have an active trauma commitment, which includes treating patients with all types of trauma related problems. My subspecialist interest is in knee surgery.

I have received training in report writing and court room skills.

I prefer to write my reports as a continuous narrative incorporating the review of medical records within the history.

Publications:

I have published in trauma and orthopaedic publications and peer-reviewed journals. I have experience in presenting at international trauma meetings.
