

SARAH JANE DIMITRA BURNETT

MBBS MA MBA MRCP FRCR CJDip

Address: 92 Battersea High Street
London, SW11 3HP

Mobile: 07776 183 099

e-mail: drsarah@me.com

D.O.B.: 25.10.62

Marital Status: Married

Nationality: British

Current Positions:

Consultant Radiologist in Independent Practice
Clinical Lead for 4 Ways Healthcare
Consultant Radiologist at:
HCA International
King Edward VII Hospital
Cancer Ambassador for Cancer Research UK
Master Practitioner of NLP
ADT ('Havening') Practitioner
Accredited civil and commercial mediator

Formerly:

Consultant Musculoskeletal Radiologist, UCL Hospitals, 2002-2003,
St Mary's Hospital, W2, 1993-2002
External Examiner, Radiographic Reporting PgC, University of Hertfordshire,
(since 1997-2002)
Service Director for Radiology, St Mary's Hospital, 1998-2001
Lead Clinician for Clinical Governance in Radiology, 1999-2001
Admissions Tutor, Imperial College School of Medicine, SW7 2AZ, 1997-2001
Visiting Fellow, Imperial School of Management, 1995-2001
Consultant Radiologist, Royal National Orthopaedic Hospital, W1, 1993-1997
Registrar, Senior Registrar in Radiology, St Bartholomew's Hospital, EC4,
(1988-1993)
Research Fellow, St Mark's Hospital, EC4, (1991-1992)

Membership of Professional Bodies:

GMC: 3079063
ICO Registration Number: ZA123869
British Society of Skeletal Radiology

Qualifications and Prizes:

Diploma in French (Distinction) – Institute of Linguists 1980
MB BS – London University - Silver Medallist 1985
MRCP UK 1988
FRCR – Gold Medallist Part I 1992
MBA – Open University 1995
Bronze Medal Winner – poetry.com 2006
MA in Creative Writing – Distinction 2008
Photography course – Open University 2009
Diploma in Photography – The Photography Institute 2009
Licensed Practitioner of NLP 2009
Art Clay Certified Level 1 Teacher 2011
Cancer Research UK Flame of Hope Special Commendation
2011
Master Practitioner of NLP 2011
Diploma in Creative Jewellery 2012
Advanced Diploma in Creative Jewellery 2014
Gem-A Gem Basics 2015
Art Diploma 2016
Digital Marketing Diploma 2016
Accredited Mediator 2016
Certified Theragun Practitioner 2020

Teaching:

Honorary Lecturer at St Thomas' MRES course
Royal College of Radiologists – first and second years, skeletal anatomy and pathology
Royal College of Surgeons – radiological anatomy for the STEP course, transferable skills for WIST
Imperial College – radiology, anatomy, communication skills and management to undergraduates
Imperial School of Management – postgraduate management
St Mary's – radiology and management to doctors and PAMs at all levels
UCLH – radiology to undergraduates and junior radiologists, retraining sonographers
Teaching courses: TIPS/Training the Trainers, Small Group Teaching, TV Teaching
Greek cookery
Jewellery
Art
Bookbinding
Embroidery

Invited lectures on a variety of topics including:

Visiting Professor to the Finnish Institute of Osteopathy, 1998
Musculoskeletal Radiology
Clinical governance
Career development

Undergraduate Medical issues
Co-convenor of the 2001 BESS Masterclass in Shoulder Ultrasound
Lecturer to the Kigezi Undergraduate Medical Course at Cambridge

Professional Activities have included:

Chelsea Clinical Society Council Member
Image Advisor to sixpartswater.org
Clinical Governance Facilitator for St Mary's
Examiner for Imperial College for the BSc, MSci, BEng and MEng
Member of Expert Advisory Group to District Audit on Reporting Practice
Advisor to the Audit Commission on the Development of Audit and Core Performance Indicators in Radiology
Medicolegal practice – personal injury and negligence
Development of interactive teaching tools
Secretary of the St Mary's Consultants Dining Club
Member of the St Mary's Ball Committee
Member of Ball Committee for Cancer BACUP
Charitable work for The British Society of Performing Arts
MD supervisor for a project in Radiology Manpower Provision

Medicolegal:

Extensive general and musculoskeletal medicolegal work for nearly 20 years, covering personal and industrial claims, as well as negligence. I work for both Claimants (40%) and Defendants (60%).
Accredited civil and commercial mediator.

Presentations:

Burnett, SJD. The clinical utility of anal ultrasound in assessment of the pelvic floor. St Bartholomew's transvaginal ultrasound course, February 1990
Burnett, SJD. External anal sphincter defects – simultaneous evaluation using electromyography and anal ultrasound. BSG, March 1990, Birmingham
Burnett, SJD. A comparison between endoanal ultrasound and digital examination in perianal fistulae. BSG, March 1990, Birmingham
Seow-Choen, Burnett, SJD, Bartram, CI and Nicholls, RJ. A comparison between endoanal ultrasound and digital examination in perianal fistulae. European Council of Coloproctology, April 1990, Berlin
Burnett, SJD. The clinical utility of anal endosonography. Royal Society of Medicine Coloproctology Section. May 1990, London
Burnett, SJD. Unsuspected sphincter damage following childbirth revealed by anal endosonography: a review of 62 consecutive women presenting with incontinence. British Institute of Radiology, June 1990, Birmingham
Burnett, SJD. Unsuspected sphincter damage following childbirth revealed by anal endosonography: a review of 62 consecutive women presenting with incontinence. St Mark's Association, June 1990, London
Bartram, CI, Burnett, SJD and Law PJ. The clinical utility of endoanal ultrasonography: a review of more than 750 cases. RSNA, November 1990, Chicago
Burnett, SJD. Unsuspected sphincter damage following childbirth

revealed by anal endosonography: a review of 62 consecutive women presenting with incontinence. Royal Society of Medicine, Obstetrics and Gynaecology Section, March 1991, London

Owens, CM, Burnett, SJD and Dicks Mireaux, C. The clinical utility of imaging in the staging and follow up of Wilm's tumour. I: Clinical aspects. BIR, June 1992, Birmingham

Burnett, SJD, Owens, CM and Dicks Mireaux, C. The clinical utility of imaging in the staging and follow up of Wilm's tumour. II: Cost benefit analysis. BIR, June 1992, Birmingham

Hall, GM, Da Silva, J, Burnett, SJD and Spector T. Vertebral fractures and bone density in male rheumatoid patients. 56th American Congress of Rheumatology, October 1992, Atlanta

Burnett, SJD, Ng, YY, Barker, P, Perry, NM and Wells, CA. Benign breast biopsies in the prevalent round of breast screening, a retrospective analysis. Royal College of Radiology Breast Group, October 1992, Harrogate

Owens, CM, Dicks Mireaux, C and Burnett, SJD. The clinical utility and cost benefit of computed tomography in the staging of Wilm's tumour. BPA, November 1992, Peterborough

Owens, CM, Dicks Mireaux, C and Burnett, SJD. The clinical utility of computed tomography in the staging of Wilm's tumour. UKCCSG, 1993 Newcastle

Burnett, SJD. Imaging in gynaecological fistulae. Royal society of Medicine Section of Obstetrics and Gynaecology, June 1993, London

Burnett, SJD, Ng, YY, Perry, NM and Wells, CA. Benign biopsies in the prevalent round: a review of 108 cases. RCR, September 1993, Warwick

Owens, CM, Dicks Mireaux, C and Burnett, SJD. The clinical utility of computed tomography in the staging of Wilm's tumour. RSNA, November 1993, Chicago

Burnett, SJD. Other imaging in low back pain. Royal College of Physicians Clinical Nuclear Medicine Group, May 1994, London

Scullion, DA, Ransley P, Kellet, M and Burnett, SJD. The plain film appearances of bladder exstrophy in the growing skeleton. ESPR, May 1995

Timmis, AJ and Burnett SJD. Red dot-Blue dot: an alternative. Roentgen Centenary Conference, June 1995, Birmingham

Burnett, SJD, Saifuddin, A, Pringle, J, Cannon, S, Briggs, T and Mitchell R. Early experience of ultrasound in primary bone tumours. Roentgen Centenary Conference, June 1995, Birmingham

Scullion, DA, Ransley P, Kellet, M and Burnett, SJD. The plain film appearances of the pelvis in adult bladder dysplasia. Roentgen Centenary Conference, June 1995, Birmingham

Burnett, SJD. Other imaging in low back pain. Royal College of Physicians Clinical Nuclear Medicine Group, January 1996, London

Burnett, SJD and Saifuddin, A. The variation of position of the conus medullaris in an adult population. BSSR, November 1997, London

Saifuddin, A and Burnett, SJD. The utility of magnetic resonance imaging in determining the presence of a pars interarticularis defect. BSSR, November 1997, London

Gibbon, W, McNally, E, Silver D, Forrester A, Burnett S, Fairbairn J, and

Wheeldon J, on behalf of the Panacryl Study Group. How successful is surgical repair of the rotator cuff at 6-10 weeks? BESS, May 1999, Sheffield
Gibbon, W, McNally, E, Silver D, Forrester A, Burnett S, Fairbairn J, and
Wheeldon J, on behalf of the Panacryl Study Group. How successful is surgical repair of the rotator cuff at 6-10 weeks? SECEC 99 ESSSE, September 1999, The Netherlands.

Watson, JM, Rhodes AI and Burnett, SJD. Rotator cuff thickness in the young and old: a study of normal volunteers. ESSR, October 1999, Edinburgh

Rhodes, AI and Burnett SJD. Anterior superior fat pad angle: an additional indicator of elbow fracture? ESSR, October 1999, Edinburgh

Elkin, SL, Fairney, A, Burnett, SJD, Compston, JE, Kemp, M and Hodson, ME. Osteoporosis in adults with cystic fibrosis: a cross-sectional study. North American Cystic Fibrosis Conference, October 1999, Seattle.

Burnett, SJD and Grahame R. Sonographic Abnormalities in Benign Joint Hypermobility Syndrome (Ehlers Danlos III). ESSR, October 2002, Valencia

Burnett SJD. MRI of Paget's Disease of Bone. 1st European Conference on Paget's Disease of Bone. June 17-18 2004, Siena

Burnett SJD. MRI of Paget's Disease of Bone. International Symposium on Paget's Disease. July 8-9 2005, Oxford

Burnett SJD. Ultrasound Imaging of Lower Limb Pathology. 2nd International Conference on Movement Dysfunction, Edinburgh, September 23-25th 2005

Burnett SJD. GP Direct Access to MRI. NW Area PCT Conference, September 21st 2006, Manchester

Burnett SJD. The Patient's Perspective of Breast Cancer. ATOS Origins Medical Conference, September 22nd 2006, Royal Society of Medicine

Burnett SJD. The Patient's Perspective of Breast Cancer. Princess Grace Breast Institute, May 24th 2007, Cabinet War Rooms
